

We are a team of highly skilled, diverse and passionate professionals who place utmost value on our people and our clients. Based in the inner eastern suburbs of Melbourne, we have the expertise to attract and retain premium clients. No matter what stage of your career you are in, we have a path for you.

## Creating and Achieving Together

We will invest in you and develop clear career pathways to help you reach your goals

Open door policy – access to principals and senior staff

A stimulating environment with a variety of client work specialising in different industries

Opportunities to work interstate and internationally

Recognition - staff appreciation awards and Employee Assistance Program support

Open & regular communications of firm strategy, progress and performance

Structured performance reviews - evaluation and feedback

Internal staff discounts and referral bonuses

Flu vaccinations

A rewarding workplace that promotes work, life, balance

Member firm of the CountPlus network (top 20 accounting and advice network)

Multiple service lines and referral partners available to facilitate our clients

Fun social events organised by the social committee

Cloud based technology – offering the latest software and programs amongst a paperless office

Great coffee and kitchen facilities

Monthly training for staff – with internal and external facilitators

Have direct contact with clients early in your career and build relationships that grow our business

Professional memberships - mentor and financial support for CA and CPA studies

Giving back to the community through fundraising initiatives, pro-bono and volunteering work

Social initiatives to promote a strong and inclusive culture across all service lines
